great new controversy. BEU MEIR
claiming the old Palestinian prerogative
is a descendent of the Patriarchate (whose
office had been abolished by the Romans in
the 5th Century A.D.) maintained that
the New Year was NOT to be deferred
unless the MOLAD occurred
 $642 \div 1080$ of an hour ($0.59444+$)
after noon.

The controversy ended, mainly through
championship of SAADIA (892-942AD)
with complete Babylonian victory.
